CHESTER

ROSSETT HALL HOTEL

SATURDAY 30TH NOV TO SUNDAY 1ST DECEMBER 2019

Chester is arguably the richest city in Britain for archaeological and architectural treasures preserved to this day from the time of the Roman occupation. By the 1700s, the River Dee had changed course and the port had silted up. The walls were no longer needed for defence and were restyled into the pleasant walkways that we enjoy today. The most distinctive medieval feature of the city is the large and beautiful cathedral, with a life spanning over hundreds of years of changes and restorations.
